

Data Sheet

RiboGrip™ RNase Inhibitor

Cat. No.	Size (U)	Size (µl)	20 µl Reactions
06-22-00400	400 U	10 µl	20 rxn SAMPLE
06-22-01000	1000 U	25 µl	50 rxn
06-22-04000	4000 U	100 µl	200 rxn

For *in vitro* use only

Description:

RiboGrip™ RNase Inhibitor is an *in silico* designed protein-based ribonuclease inhibitor, which inactivates RNase A. **RiboGrip™** inhibits the activity of ribonuclease A by noncovalently binding in a noncompetitive mode at a ratio 1:1. This novel inhibitor has enhanced stability at room temperature with no activity loss for up to 1 month.

Source:

Purified from an *E. coli* strain that carries an overproducing plasmid containing a *RiboGrip RNase Inhibitor* gene.

Applications:

Preventing RNA degradation in the following processes:

- First strand cDNA synthesis
- RT-PCR
- RT-qPCR
- *in vitro* transcription and translation

Concentration:

40 U/µl

Shipping and Storage conditions:

Routine storage: -20°C. Shipping and temporary storage for up to 1 month at room temperature has no detrimental effects on the quality of RiboGrip RNase Inhibitor.

Manufactured by Solis BioDyne in compliance with the ISO 9001 and ISO 13485 certified Quality Management System.

FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC PROCEDURES

Recommendations for use:

RiboGrip™ RNase Inhibitor is used generally at a **final reaction concentration of 1 U/µl**. Inactivated by heating at 85°C for 5 min.

Unit definition:

One unit is defined as the amount of protein required to inhibit the activity of 5 ng of RNase A by 50%. Activity is measured by the inhibition of hydrolysis of cytidine 2',3'-cyclic monophosphate by ribonuclease A.

Storage and Dilution buffer:

50% glycerol (v/v), 20 mM Tris-HCl pH 7.5, 100 mM KCl, 0.1 mM EDTA, 5 mM DTT and stabilizers.

Safety warnings and precautions:

This product and its components should be handled only by persons trained in laboratory techniques. It is advisable to wear suitable protective clothing, such as laboratory overalls, gloves and safety glasses. Care should be taken to avoid contact with skin or eyes. In case of contact with skin or eyes, wash immediately with water. Refer to Safety Data Sheet for more information.

DS-06-22 v4

Revision date: 05.10.2021

Permitted Use: This product is supplied for research use only (the **Permitted Use**). If the customer wishes to use the product for any purpose other than the Permitted Use, including (without limitation) resale or alteration, the customer should obtain the appropriate licence from Solis BioDyne. Some applications of this product may require a license/licenses from one or more third parties which are not provided by the purchase of this product. Users should obtain the licence if required. Covered by the patent EP2501716, made by the methods of US Patent No 9,321,999.

Trademark information: RiboGrip™ is a trademark of Solis BioDyne OÜ.

Warranty and Disclaimer: This product shall comply with its relevant specification and be fit for its stated purpose, but Solis BioDyne gives no other warranty and makes no representation as to description or quality. Any such warranty or representation is excluded, to the fullest extent permitted by law. In particular, but without limiting the foregoing, Solis BioDyne shall not be liable for the failure of the product to comply with its relevant specification where such failure arises as a result of: (i) customer negligence or because the customer failed to follow any of the applicable technical data or safety sheets, standard user materials, use guidelines or any other information provided by Solis BioDyne as to the storage, transportation, handling, use or maintenance of the products or other good practice regarding the same, or (ii) the customer altering the products in any way without the prior written consent from Solis BioDyne, or (iii) the products differing from the relevant specification as a result of changes made to ensure their compliance with applicable statutory or regulatory requirements.

Nothing shall limit or exclude Solis BioDyne's liability for death or personal injury caused by its negligence, fraud or fraudulent misrepresentation or any matter in respect of which it would be unlawful for Solis BioDyne to exclude or restrict liability. Without limiting the foregoing, Solis BioDyne shall under no circumstances whatever be liable to the customer, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for any loss of profit, or any indirect or consequential loss arising under or in connection with the products and Solis BioDyne's total liability to the customer in respect of all other losses arising under or in connection with the product, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall in no circumstances exceed the price of the products supplied in respect of which the liability has arisen.
